

## SİDE STAR HOTELS SOCIAL RESPONSIBILITY POLICY

01.10.2012

Executing hotels to the environment, and we were in our employees and the community as well as contribute to the development objectives of enterprises in order to ensure sustainable Tourism.

Our group make district schools, cherish, especially, for the protection of historical and cultural values, and works both in kind and cash assistance will be both. Providing scholarships for students who need to support education at the same time will support them in meeting the needs of students in school. Enterprise, local and national non-governmental organizations related to tourism and environmental sustainability will continue to increase membership and relationships.

Operations, where possible, in areas where plants provide employment yaşanlardan, by choosing locally produced products and provide employment and contribute to the local economy as well. Personnel working in long-term work and work-related information, experience and skills of the organization will provide training on increasing. Our facilities are given a special importance to the employment of disabled staff. In order to eliminate the negative effects that may arise as a result of the development of tourism and the local government will be in close cooperation with public institutions.
